Dear Parents and Carers,

What a miserable start to the week, and on midsummer's day too, which somehow makes it feel even worse! It is particularly disappointing as poor weather can affect our swimming timetable - please do look out for updates from staff, as many will be looking to add extra swimming sessions to make up for any that have been missed!

## Transition Arrangements

As a result of the Government's decision not to ease further lockdown restrictions, the schools within DASP have had to make some changes to their transition arrangements, in particular to our traditional transition day, which would have been on Thursday 1st July this year.

I have already written to Year 4 parents to inform them that the decision has been made to cancel the visit on the day of the Year 4 children to their respective middle schools, and we will work with the individual schools to help organise any new transition arrangements they decide upon. I have also written to our incoming Reception class for September, outlining the changes which we have unfortunately had to make to their transition arrangements.

At Broadmayne, we will still continue with our own Transition Day, which is when each class has the opportunity to move up and meet with their new teacher for the day. This year we will be able to move each class up whilst Year 4 stay with us - we have planned some activities for them for the day which we think they will enjoy despite having their own transition postponed!

For your information we currently expect the staff to be leading the following year groups:

Reception - Mrs Bostock and Mrs Crumbleholme

Year 1 - Mrs Howells and Mrs Norman

Year 2 - Mrs Bassindale and Mrs Howells

Year 3 - Miss Felgate

Year 4 - Ms Carter-Grogan

### **Dorset Police Road Safety Education**

Dorset Police Road Safety Education are offering an open forum webinar for parents and carers, and are inviting questions from our families that they can prepare answers for in advance.

They have written to us:

*We are aware that many schools have issues with parking outside the school gates, poor parking, and driver behaviour near to the school gates. We wish to use the Forum to discuss useful solutions and suggestions, to help parents/guardians with safe choices and any additional road safety they can do with their children.*

*We are currently developing road safety education for Nursery/EYFS, Primary, Middle and Secondary, SEND schools and Pre-Driver groups. To develop and improve our programmes we need open discussion, and will use feedback and evaluation.*

Questions and suggestions for discussion can be sent to Mel Vincent [Melvin.Vincent@Dorset.PNN.Police.uk](mailto:Melvin.Vincent@Dorset.PNN.Police.uk)  
The Open forum webinar will give Parents/Guardians the opportunity to chat with representatives from the Dorset Road Safe Education Partnership to find out:

Who are we?

What services do we offer?

What do you want from us?

The Parent/Guardian Chat Club occurs several times. Please register for the July date and time that works best for you:
