Dear Parents and Carers,

This week our newsletter is mainly taken up with information from the school nursing team, who wanted us to make you aware of everything they have on offer to support you as a family.

Can I just remind all our families that school doors open at **8.45am** and we expect all children to be in at that time - lessons begin as soon as everyone is in and it is tricky for staff if they have latecomers. I completely understand in this current cold snap people may not want to be waiting on the playground for doors to open, but please ensure you arrive as close to 8.45am as possible to ensure your children get the best possible start to the day.

World Book Week

It is World Book Week this week, launching yesterday with Books at Bedtime and with various activities throughout the week - details in the previous newsletter or the calendar below. Many thanks to everyone who came along last night - as always, it was a lovely evening that everyone really enjoyed!

Staffing Update

We are sad to share with you the news that Mrs Grogan will be leaving us at Easter as she takes some time out to support her family. She has worked in lots of roles across the school (not least as Chief Duck Herder!) and will be very much missed by us all.

Support from the School Nurse team

ParentLine 5-19 Launched in November 2022 and is aimed at Parents and Carers of Children and Young people aged 5-19 to seek advice and support for their child from a member of the School Nursing team via text message. The School Nursing team can help Parents with healthy eating, weight management, day/night time wetting, toileting, sleep, hearing, behaviour, emotional health and wellbeing and more.

Parents that have already used ParentLine 5-19 have fed back that they have found it a convenient and easy way to gain information, advice and signposting to further support without needing to wait for an appointment.

ParentLine 5-19 runs from Monday to Friday 9am-4pm during Term times (excluding Weekends, Bank holidays and School Holidays).

Parents can text their query to **07312 263131** and will receive an immediate bounce-back message to let them know their message has been received. We aim to respond within 24 working hours. More information on ParentLine 5-19 can be found on the School Nursing Web page www.dorsethealthcare.nhs.uk/school-nursing/parentline

Young people aged 11-19 can also seek advice for themselves from a School Nurse via our ChatHealth text messaging service by texting their query to **07480635511**. ChatHealth runs Monday to Friday 08:30-4:30 (Excluding Weekends and Bank Holidays). Young people will receive an immediate bounce-back message to let them know their message has been received by the School Nurse. We aim to respond within 24 working hours.
