

Broadmayne First School Newsletter

Be Kind, Be Safe, Be Respectful

The value we are looking at this half term is Friendship Our HeartSmart focus is: Fake is a Mistake!

Tuesday 23rd May 2023
Summer 1 Newsletter 4

Things to remember:

- Year 4 parents - have you returned the consent form for the trip to Manor Farm this Thursday?
- There is still time to sign up to Messy pups summer club - [Messy Pups Summer 2023](#)
- Please note change of date for the Year 4 play - 11th July 6pm instead of 14th July

Dear Parents and Carers,

The summer term seems to be moving past very quickly, and it is hard to believe that the coming half term will be my last one here at Broadmayne, something I am contemplating with very mixed feelings.

Kirsty Jordan-Gill, the new head for September, will be spending as much time as possible with us as the term moves forward, and I hope to be able to introduce her to as many of our children and families as I can as we work on a smooth transition between the two of us.

We are continuing to plan for the pool to reopen on Monday 5th June. Just to remind all our families that you must have completed the form shared with you by class teachers in order for your child to wear goggles when swimming, and please note that **no jewellery** of any kind, including earrings, can be worn in the pool. Earrings must be removed and not taped up. All swimmers must wear correctly fitting hats in the pool and long hair must be tucked securely inside these.

ASDA tokens

Thank you so much to everyone who took the time to vote for the school in the Asda token scheme - we came first! £500 will be winging its way over to the school to be spent on the ongoing refurbishment of the school hall.

Helicopter Visit

This Friday we are very excited to be welcoming a visit from RNAS Yeovilton who will be visiting the school in a helicopter which will be landing on the school field! We have just had the timings shared with us, and the helicopter is due to land at 1pm and will stay for around an hour. We plan for Trevor Senior's football club to still go ahead.

Year 4 Legacy Project

As part of their work towards transition, the Year 4 class are involved in planning and creating a legacy for future pupils at the school to enjoy.

They have organised for celebrated local artist Darrel Wakelam to spend a day with them creating a 3D art installation for the school foyer. In order to fund this, they have planned for two fundraising days as follows:

Friday 9th June Break a School Rule Day - each class will decide on one school rule they want to break for the day, and on the 9th they can pay £1 to break that rule for the whole day - details will follow from each class teacher as to the chosen rule nearer the time!

Friday 16th June - Non School Uniform Day - children can pay £1 to wear clothing of their choice for the day.

You will be able to pay via SchoolMoney nearer the time.

The second legacy project they are involved in is redeveloping the school garden. They have been awarded funding for this project, and Miss Whitfield will be offering a Year 4 Gardening Club specifically to work on this - please let the Year 4 staff know if your child is interested in taking part (and if there are any parents and carers that are keen to help, you will be very welcome!)

Last Day of Term - Lunches

Just a quick heads up that on the last day of term we will be holding a whole school picnic - there will be no hot school meals for that day. If you would like your child to have a packed lunch provided by LFL you can do so via their website - please remember they do not include drinks in their packed lunches.

Dorset Impact Survey for Children with SEND

If your child has SEND Dorset are asking you to fill in the following survey about your experiences over the past 12 months:

[Dorset Impact Survey](#)

Wishing you a pleasant and relaxing half term - let's hope the weather remembers it is summer!

Yours faithfully
Mrs Collings
