Summer 2022 Newsletter 4

Things to remember:

- All children are invited to wear red, white and blue for our Jubilee Playground Party day this Friday (it can be one or two of each, it doesn't have to be all three!)
- Please remember whole class photos on Tuesday 7th June, just after we return from half term
- Year 2 will be visiting Tinctleton Farm on Wednesday 8th - please ensure you have let Y2 staff know of any allergies as the children will be tasting various fruit and vegetables

Dear Parents and Carers,

It's hard to believe we are already half way through the summer term - we're just waiting for the weather to catch up now! We are keeping our fingers crossed that the sun will shine on us for our Jubilee Party on Friday - I don't want to jinx things but please remember sun hats and sun cream if the weather does turn out to be good!

Annual Parent and Carer Questionnaire

Each year we ask parents to feed back to us on a range of questions. We really appreciate your input on this - please use the following link to access the questions, it will only take a few minutes and every answer helps!

Cool Milk

As an Eco School we are always looking for ways in which to reduce our waste. We were really pleased this week to welcome a delivery of individually sized milk bottles for those children who are signed up to this service, which we wash and refill each day. This will cut down hugely on the cartons that we were using previously - and which could not be recycled. If your child is not registered for this, you can do so via the [Cool Milk](#) site.

World Wise Week

The week straight after half term will be World Wise Week. With a focus on geography and art, there will be a host of activities for our children to deepen their knowledge and understanding of the world. We have various expert visitors running workshops on art and our local environment, and we start the week with Let's Count Day, where we will be looking at statistics with a geographical link.

Summer Term 2 Clubs

After school swimming clubs will begin once we return to school after the half term holiday - details of these will be in the next newsletter.

Mr G will be running two additional clubs next half term - details as below:
