

Broadmayne First School Newsletter

Be Kind, Be Safe, Be Respectful

The value we are looking at this half term is Truth. Our HeartSmart focus is: No Way Through isn't True!

Wednesday 8th June 2022
Summer 2022 Newsletter 5

Things to remember:

- Reception parents and carers - from Monday 13th please use the side gate to access the Reception playground when dropping off/picking up.

Dear Parents and Carers,

A warm welcome to the very last half term of the academic year! It's hard to believe we seem to have arrived at this point so quickly!

The children and staff are looking forward to starting swimming lessons, and we were very pleased to have finally got the playground markings completed (although there is one more to go!). Please do keep an eye on the school calendar as there are lots of events happening across the next few weeks.

Our assembly theme

This half term, we will be looking at truth and truthfulness in our whole school assemblies. We will discuss how being truthful links to our school values of being kind, safe and respectful, and how these then link to British Values.

Heartsmart

In Heartsmart this half term we will be learning that 'no way through isn't true! This topic looks at the power of hope, and looking for, and believing in, in the best in ourselves and others.

Jubilee Party

We had a wonderful time celebrating the Queen's Jubilee on the last Friday before half term. The sun shone and we all enjoyed eating together outside. We welcomed some residents from Crecy Care Home who joined us for a special assembly as part of the Queen and I Project, and then stayed to enjoy a picnic lunch. I was so proud of our children and how well they looked after our guests, and they had a lovely time - so much so that they have asked to join us for other events! Year 3 parents and carers please look out for a letter regarding the celebration event for this project which I will be sending out this week.

Reception Entrance and Gate

Parents and carers of Reception children, we will be moving back to our previous arrangement for dropping off and collecting children as from Monday 13th - please use the side gate (by the kitchen entrance) to both drop off and pick up, and wait in the Reception playground, rather than using the large gates.

Staffing Update

Parents and carers of Reception pupils may have noticed that Mrs Crumbleholme has been in class more than usual. Sadly, Mrs Bostock is unwell at the moment and can't be in - we are really grateful to Mrs Crumbleholme for stepping in to ensure continuity for our youngest children.

After School Swimming Club

It's that time of year when we welcome back the after school swimming club! This will be running from today, and then every Tuesday, Wednesday, Thursday and Friday until the end of term, weather permitting. The club costs £1.50 per session, there will be two sessions per afternoon - please let Sally or Kerry in the office know if you would like to attend a session, there is no need to book several sessions ahead (unless you wish to!). The after school swimming is prioritised for pupils of the school, but siblings are welcome if there is room. Please note that under 5s and any non swimmers must be accompanied in the water by an adult. Please also look out for FABS updates via their FaceBook page for the pool being open at the weekends.

LAStheatre presents 'The Rascally Diner'

A date for your summer holiday diary - the school will be hosting the following production on the school field on **Friday, 29th July at 11.30am**. Tickets are available from the Corner House Store, Tim Clayton or directly from Artsreach - contact information is on the flyer accompanying this email.

Everybody clap your pans – it's time for *The Rascally Diner!*

Cook up a stink as part of Rufus Skumskins O'Parsleys' kitchen crew or bring a pot to bang and ward off evil cakes in this fun-filled, messy performance about food.

Chef Rufus Skumskins O'Parsley is famous for creating some of the world's most disgusting dishes. (You might know him from the award-winning children's book *The Rascally Cake*, written by Jeanne Willis and Korky Paul).

Rufus went viral after baking a huge, human-eating cake from ingredients including snot, blubber and a cowpat. He only escaped being gobbled up by the gruesome gâteau because he tasted awful - a result of his foul diet. For ten years now, Rufus has been on a mission to make everyone taste bad and protect them from the creature he cooked up...

Join LAStheatre for a show that gently explores food provenance, sustainability, and healthy eating in a silly, song-filled, riotous open-air performance. Touring Dorset with Artsreach, the county's touring arts charity.

Suitable 5+

Running time: 60mins no interval

* Please note that this is an outdoor event - dress for all weather and bring your own chair/blanket to sit on.

www.artsreach.co.uk

Yours faithfully,
Mrs Collings

Calendar Dates- SummerTerm 2022

Date	Time	Event
