Dear Parents and Carers,

What an action-packed and exhilarating week we had last week here at Broadmayne First School! Our annual Sports Week was filled with energy and enthusiasm as children took part in a wide range of activities, including Bootcamp sessions, scaling the climbing wall, testing their aim with soft archery, and enjoying potted sports. Sports Day was a particular highlight, with fantastic team spirit on display and Team Blue emerging as the overall winners. Our annual football tournament was also a great success, with congratulations going to Team Panther for their well-deserved victory. We have thoroughly enjoyed every moment of this special week and look forward to making this much-loved tradition a part of our school calendar for years to come.

## Well done Ollie!

We are incredibly proud to share that Ollie in Year 3 recently completed the Wiltshire 3 Peak Challenge! This impressive feat involved climbing three of Wiltshire's highest peaks—Barbury Castle, Milk Hill, and Tan Hill—covering over 20 miles of beautiful but challenging countryside. Taking on this challenge requires determination, resilience, and a real sense of adventure. Please join us in congratulating Ollie for his amazing accomplishment and showing what it means to persevere and aim high. Well done!

### A Polite Reminder About Safe Parking

We kindly ask all parents and carers to be mindful when parking outside of the school grounds. Please avoid parking on pavements, side roads, or directly outside the school gates. Over-parking in these areas makes it difficult for everyone to see clearly when exiting the school and poses a risk to children crossing the road. By parking considerately, you help keep our pupils and the wider school community safe. Thank you for your continued support in making our school environment as safe as possible for everyone.

### Attendance Matters

Attendance Matters

Our whole school attendance last week was : **94.27%**

Reception	Year 1	Year 2	Year 3	Year 4
93.75%	94.83%	96.55%	96.33%	90.00%

### Transition Day - Tuesday 1st July

Looking ahead, we're preparing for our transition day—a special opportunity for children to meet their new teachers and begin to get comfortable with the next step in their journey. On that day, children will be invited to go in through their new classroom doors at the start of the day to help them start feeling at home. Parents will also be warmly welcomed to meet the new teaching team after the school day ends. Children will be collected from their new classrooms at the end of the day.

### Respecting our neighbours

We've recently received several reports from neighbours whose gardens back onto our school grounds. They've expressed concern that stones are being thrown into their gardens, particularly at the end of the school day. This behaviour is not only dangerous, but it also shows a lack of respect for those who live in our community.

As a school, we are committed to promoting positive behaviour and strong relationships with our neighbours. We will be reminding our children about the importance of respect and responsibility, and this message will be reiterated in upcoming assemblies.

We are also asking for the support of parents and carers. Please closely supervise your children at the end of the day—especially if you are waiting near the school boundary—to help ensure that everyone is acting safely and respectfully.

Thank you for helping us maintain a school environment we can all be proud of, both inside and outside the gates.

### The Bee Musical - Our end of year performance

Tickets are now available for the whole school production which is being performed between the dates of 14th - 17th July. (Please remember that a total of 2 tickets per family may be booked). To book your tickets for the Bee Musical please click on the link below:

### Continuing to 'fly high' - How you can help.

In order to continue to 'fly high' next year and to inform next year's School Development Plan, I value the feedback that I receive from parents and am always willing to learn from it. Please could I ask that you complete the short survey to identify our successes and development points. [Parent / Carer Survey](#)

### And finally.....

Thank you to all of our children who were excellent last week during Sports Week.

A huge thank you Mrs Howells for organising a brilliant Sports Week

Thank you to all of the parents who took the time to send in a personal message on 'National Thank a Teacher Day'. Your words were a real glimmer to our staff.

Have a lovely weekend,

Best wishes,  
Mrs Jordan-Gill
