YEAR 3 KNOWLEDGE ORGANISER

Autumn 2

PE Football

Our goal Pass accurately, find space and work as a team to attack and defend.

1 Pass and receive

Look at your target. Check your teammate is ready.

Step into your pass and send the ball accurately with your foot.

Control the ball when it reaches you.

After passing, move into space.

2 Find space

Look up and scan the playing area.

Move quickly away from defenders into an open space.

Be ready for a pass and let your teammate know where you are.

Keep looking for new spaces.

3 Make good decisions

Look for a teammate in space before passing.

Do not panic or rush your pass.

Watch where both teams are moving.

Keep the ball and create scoring chances.

4 Aim and shoot

Look at the goal or target.

Step into your shot and follow through towards the target.

Choose a good place to shoot from.

Missed? Think about your aim and try again. Encourage others too.

5 Mark an attacker

When your team loses the ball, react quickly.

Agree which attacker you will mark.

Watch and follow their movements. Stay close without making contact.

Keep concentrating and trying hard.

6 Attack and defend

Our ball = attack. Pass accurately, move into space and aim at a target.

Their ball = defend. Mark attackers to make passing harder.

Follow the rules and respect both teams.

Share what went well and what to improve.

Words to know

Possession - your team has control of the ball.

Accuracy - sending the ball where you mean it to go.

Marking - follow an attacker closely to make passing harder.

Opposition - the other team. **Target** - what you aim at.

Can you explain it

Where should you move after passing?

Why should you avoid rushing a pass?

What do you do when your team loses the ball?
