Dear Parents and Carers,

It has been lovely to see the sun again this week, and to make as much use of the pool as we can! Thank you so much to our lovely FAB volunteers, who have enabled the pool to be open for some after-school swimming sessions, and who are busily organising the opening of the pool over the summer holidays.

## **Sports Day - amendments**

Having spoken with several parents we have gone back to Public Health England to enquire about younger children coming along to Sports Day. We have been informed that all children count towards the limit of 30 to a bubble. As we are already having to limit our spectators to one adult per child only, we have decided to adapt our original guidance to the following:

Adults may bring younger children to Sports Day, but please try not to if possible, just so we can keep numbers to a reasonable amount! We will not seat you in class bubbles, but will instead have a system of bubbles which we will organise as you arrive.

We hope that this will allow us to tread the line between keeping numbers safely within a reasonable amount and enabling as many people as possible to come along to enjoy our Sports day.

## **In-House Football Tournament**

Unfortunately this year we cannot invite parents in to spectate when we hold our in-house football tournament on Thursday 8th July.

## **Dance Day**

Depending on the success of Sports Day, we still plan to hold Dance Day following a similar plan (although restrictions may have changed by then!) We will let you know further details nearer the time.

### Year 4 Leaver's Assembly

Please note that due to current uncertainty about ongoing restrictions, the Year 4 Leavers Assembly has had to change both time and venue. It will now be held outside at **1.20pm on Friday 23rd**.

### Transfer Day

All our classes had the chance to move up to meet their new teachers and check out their new classrooms yesterday. It was a lovely morning, with a range of activities going on, from African inspired art, to scary bookmarks and even lighthouse building!

Sadly our new Reception children could not join us for the day, but we have arranged lots of settling in time for them in September. Our Year 4 children were unable to join their middle schools, but I think it was generally agreed they had the best time ever based in Reception class - they were certainly making the most of all the toys when I went to visit!

### A Chance for TV Fame!

We have received the following request from the BBC, in case anyone in our community is interested in following it up:

Hello,

*I am a researcher writing from the hit BBC One prime time series **Eat Well For Less?** My reason for writing is that we are currently casting for our 8th series and are looking for families / households who would like to eat well and save some money on their weekly shop. The show is on a mission to prove that it is possible for families and households to **save money** on their food budget **without scrimping on taste and nutrition**. We hope that by analysing the shopping habits of UK families, we can help to show where they can source the best and cheapest quality food.*

*Please let me know if you have any questions about the series or if you require any further information and I'll be more than happy to help.*

*Hope to hear from you soon!*

*Many thanks,*

*The 'Eat Well For Less?' Casting Team*

### Dorchester and District Angling Society

DDAS (Dorchester and District Angling Society) are looking for new junior members as they restart their Junior activities, involving coarse fishing in local lakes. One of our Year 4 children recently joined this, and I know quite a few of his classmates were interested! The Junior secretary is Graham Howard, and he has suggested if children are interested you look at the website here: [www.ddasjuniors.co.uk](http://www.ddasjuniors.co.uk) -

### Family First Magazine

A free e-copy of this family magazine, packed full of information to help keep your children busy & entertained during the school summer holidays can be found via the following link:
