

Dear Parent/Carers,

I am writing to let you know that Broadmayne has been given the opportunity to take part in a project that will run jointly between schools and Dorset Police.

Operation Encompass is a joint project between the police and local schools. It means that from now on, when a child or young person has experienced any domestic abuse, this information will be shared with the schools.

Operation Encompass will ensure that senior safeguarding members of the school staff, known as a Key Adults, are trained to allow them to receive information from the police and to use the information that has been shared, in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have been involved in a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

If you are concerned about domestic abuse in any form, you can contact the school in confidence for support.

Yours faithfully

Mrs Collings, headteacher
