Summer 1 Newsletter 19

Things to remember:

- PE kits should be in school every day.

Dear Parents and Carers,

Wow! What an amazing start to the Summer term we have had! It has been so jam packed already that I think staff and children feel like they have been back longer than 2 weeks! We are looking forward to continuing our learning and welcoming the better weather as we continue to 'fly high' in all that we do.

2024 - Our year to 'fly high'.

In order to continue to 'fly high' myself, I value the feedback that I receive from parents and am always willing to learn from it. Our school Governors are keen to receive feedback from parents on your views and invite you to complete the short survey to identify our successes and areas for development. [March 2024 Parent Survey](#). Thank you to those who have already completed the questionnaire.

## Tour De Broadmayne

Last week was a real glimmer and every child inspired me. Their drive and determination to clock up the miles was incredible. The children managed to cycle 1810 miles! When you consider the distance from our school to John O Groats is 731 miles, the children would have had to go on a long detour around the country to clock up the additional miles. I would like to say a huge thank you to Lizzie Nicholls and her team of FAB volunteers who stayed all week to make this possible. They really did motivate the children to continue to cycle to achieve their own personal target. Thank you to those who donated extra bikes to ensure we finished on time and to Mr Pink who inspired the children with a talk on Poole Wheelers Cycling Club and asked a CEO of Zwift to provide words of encouragement.

As I write this, we are so close to achieving our target of £5,000! As of 9.00pm, our total is..... **£4835!** This is incredible. The children should be very proud of what they have achieved and I cannot wait to see the bike roundabout installed to show the children what their hard work and determination can achieve. Well done Broadmayne First School!

### Sports Week - Monday 24th June

This year our Sports Day will be held on **Wednesday 26th June**. Throughout this week, we will be inviting the children to take part in a variety of sports hosted by lots of visitors. We have begun organising this and so far we have a visit from an Athlete, Dan the Skipping Man and a Bootcamp session delivered by a gym instructor. Mrs Howells and myself cannot wait to get the final activities finalised so that we can explain in more detail the week that we have planned.

### Moving on - extra transition dates

Last week we had lots of nervous parents waiting to find out what school their child will be going to in September. As we welcome our new children into the school, we need to consider the importance of our existing children feeling ready to transition to their new teacher and school. With this in mind, I have taken the decision to provide extra 'Meet the Teacher sessions this year. These are as follows:

Wednesday 12th June: 9.30 - 10.30  
Wednesday 4th July: Transfer Day  
Wednesday 17th July: 1.30 - 3.30

During this time Year 4 will be working with myself and we will be reflecting on their time at Broadmayne as well as focusing on a project that all local first schools will be taking part in to support their transition to their new school.

### Parent Consultations

Parent  
Consultations

We will be holding our final parent consultations this term. This will give you an opportunity to discuss the progress of your child and their targets for the following year. Consultations will be held on **Wednesday 19th June** and **Wednesday 3rd July**. More information will be provided by class teachers closer to the time.

### Staff update

This term we welcome Mrs Lysenko to our teaching team. Mrs Lysenko will be working in our Year 3 and has already settled in brilliantly. Sadly we will be saying goodbye to Mrs Bevis on Monday 13th May as she has decided that after 26 years of working here, she would like to retire. We wish Mrs Bevis a relaxing retirement and thank her for her continued hard work.

## Attendance Matters

Our whole school attendance last week was: **97.95%**

Attendance Matters

Reception	Year 1	Year 2	Year 3	Year 4
96.25%	98.52%	99%	97.5%	98.33%

Whole school year to date - **95.27%**

### Maintenance Monthly

Over the coming weeks we will be filling in the old long jump area and reseeding it. There are many concrete slabs that need to be pulled up before this can happen. We are hoping to reuse these in the secret garden. If you are able to help with this job, please do let myself or the office know and we will happily provide a cup of tea or two for your efforts!

And finally....

Thank you to friends and family members who have contributed to the Tour De Broadmayne fundraising event. We cannot wait to see the roundabout on our playground.

Thank you to all of the parents who have volunteered to come in over the holidays and weekends to clean and tidy our outside areas, it is all looking fabulous.

Thank you to the Nicholls, Partridge, Castelli and Francis families who all contributed to the redecoration of the hall. It is looking fabulous. What a difference a coat of paint does to the place!

Thank you to the children who have come back to school with energy and enthusiasm

Have a lovely weekend,

Best wishes,  
Mrs Jordan-Gill
